BE PART OF THE AUDIENCE WHEN TVO'S *THE AGENDA WITH STEVE PAIKIN* BROADCASTS LIVE FROM QUANTUM TO COSMOS FESTIVAL IN WATERLOO OCTOBER 19 TO 23 AT 8 PM

Free tickets for *The Agenda* and other Quantum to Cosmos Festival lectures and events available beginning September 8

Toronto, September 3, 2009 — Waterloo's world-renowned Perimeter Institute will be welcoming the world's top scientists at the Quantum to Cosmos (Q2C) Festival which runs from October 15 to 25. During Q2C, from October 19 to 23, the Perimeter Institute's atrium will be home to TVO's flagship current affairs program, *The Agenda with Steve Paikin*, broadcasting live on location every night at 8 pm.

Anchor and senior editor Steve Paikin will welcome guests from around the world attending Q2C to discuss and debate the latest thinking on a number of issues in science such as space travel, the future of computing, genetics, robotics, and the importance of science.

Free tickets for Q2C events, including the live broadcasts of *The Agenda with Steve Paikin* will be available beginning September 8. For full ticket details and for more information about all of Q2C's events, please visit www.q2cfestival.com.

About the Quantum to Cosmos Festival

For 10 exciting days this October, Perimeter Institute's [Quantum to Cosmos: Ideas for the Future](#) (Q2C) will take a global audience from the strange world of subatomic particles to the outer frontiers of the universe. Q2C will transcend traditional festivals by streaming events live and on demand, offering virtual interaction with exhibits, and providing special opportunities for students and teachers. The Q2C Festival is produced for Perimeter Institute by Title Entertainment Inc.

About TVO
