

# Tune in to TVO for Education Week

TVO is proud to support Education Week, a province-wide initiative celebrating excellence in public education. Through the week, tune in to Mary Ito's *More to Life* one-hour specials to discover what's new in education that is affecting Ontario teachers and students today.

***More to Life@Class* at 7:00 pm and repeated the next day at 5:00 am and 1:00 pm**

## **Monday May 2: Town Hall Meeting: Evaluation**

How do teachers evaluate students? How do principals evaluate teachers? And, how do Ontario taxpayers evaluate the system? Questions like these are sure to generate a lively and enlightening discussion when posed to teachers, parents, and students.

## **Tuesday May 3: Diversity**

The diversity of Ontario's student population is ever increasing. We visit Church Street Elementary School and West Toronto Collegiate to look at the unique challenges that educators face in dealing fairly and effectively with student diversity.

## **Wednesday May 4: Live Phone-in – Gerard Kennedy/Mary Anne Chambers**

Here's your chance to provide feedback and ask questions of two of today's key decision makers: Ontario Minister of Education and Minister of Training, Colleges and Universities.

## **Thursday May 5: Gender Gap/Turn-around Schools**

The gender gap seems to be widening, and boys are falling further behind. Tonight we visit a single-gender classroom at Cecil B. Stirling Elementary School in Hamilton and hear from experts Shelly Peterson and Barbara Bodkin from the Ontario Institute of Studies in Education (OISE/UT). In addition, we look at how some schools have made significant progress towards improving students' attitude and academic standing.

***Planet Parent* at 7:00 pm**

## **Friday May 6: Trades Education**

In this program we examine Canada's skills crisis and prevailing parent and student attitudes towards opting to attend a trade school.

**TVOntario**

TVOntario is your education destination – on air, online, and in print. Through our three divisions of learning, TVO, TFO, and the Independent Learning Centre (ILC), we provide high quality curriculum-linked resources that support student achievement and enrich the learning experience.
